

# Editing Your Yahoo! Profile for RBC Membership

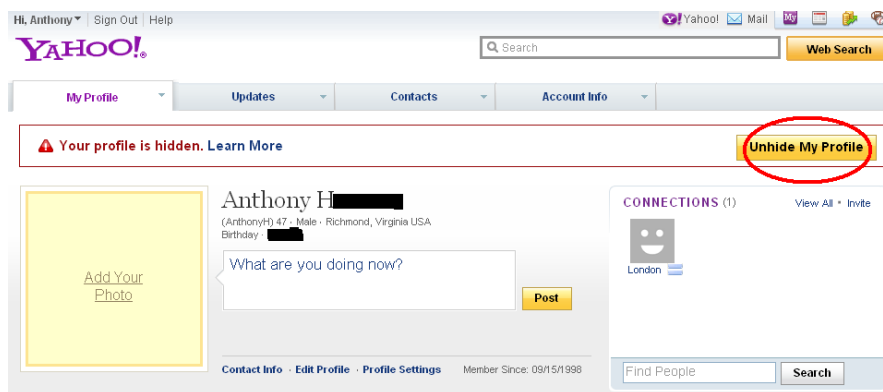

Jan 10, 2010

1. Login to Yahoo! Mail.

2. Click **your name** as shown below, then choose **profile** from the popup menu.

3. If your profile is hidden, you must unhide it in order for RBC to see your location and gender.

4. Review your profile information shown in the blue circle below. Click **edit profile** if you need to edit your profile.
